

Down Syndrome
ASSOCIATION
OF SOUTH TEXAS

Chip Simmonds

Chair

"I have been on the Board of Directors for the Down Syndrome Association of South Texas for the past seven years. I am currently serving as Chairman of the Board. What led me to join the DSASTX and this Board was my son Kyle, who is 12 years old, and has Down syndrome. I wanted to help the organization that I knew would help and support my son and our family deal with his condition.

My favorite part about being a part of this Board is seeing the positive impact the organization has on so many individuals with Down Syndrome and their families through the programs and services provided."
